
STONE CREEK MUSIC CLUB

All skill levels welcome

Join us if you always have wanted to learn to play an instrument, have not played for a while or are accomplished. In our group setting you play what you can, a little or a lot. No pressure to perform solo, no critique, unwanted lessons, or drama.

Casual meetings

We play songs from the 60s, 70s and 80s. Casual, fun songs like Margaritaville and Take it Easy. The group picks songs and provides music sheets, usually in simple chord/lyrics form. Some members sing and play, so if you like to just sing, come on by! We help each other and talk about music. And there's a lot of laughter too... We meet weekly in Studio B at the Stone Creek Spa and play for a couple of hours...or however long your schedule permits.

Instruments we use

Our group is open to most any instrument of the acoustic variety: string (guitars, ukulele, mandolin, banjo, violin), wind (flute, harmonica), and percussion (light drums, bongos, more cowbell!). Singers are very welcome too! We are also open to plugged in instruments like lead guitar, bass, and keyboard. Our only limitation is your instrument needs to be portable and our general sound level has to be reasonable.

Guitar Mentoring

If you are new to guitar or just want to brush up with other players, we have members that will meet with you in one-on-one learning sessions. It's a fun way to connect and get better at guitar.
