

## All are invited to join in the *Spirit of Harambee!*

We honor our individual and collective differences and similarities to:

- To create a more active inclusive community with African American and other ethnically diverse groups.
- A deeper sense of community where everyone feels a sense of belonging.
- Recognizing, learning, educating, celebrating, and connecting the rich cultures and lifestyles within our Stone Creek neighborhoods.
- Much! enjoyment through our food, music, dancing, language, and customs.

So, let's *Pull Together* and enjoy our golden years, at Stone Creek.
